Welcome to Arbors

This guide will tell you what to expect when you tour with us

TOUR SIZE

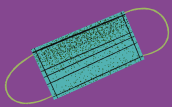

To allow for social distancing, tours will be limited to you and up to one other visitor of your choosing. Arbors is glad to do virtual tours, send photos, or share information with anyone who is not able to tour.

GUEST SCREENING

Touring guests will be asked to complete a brief health-check screening including a "no touch" temperature scan and to apply hand sanitizer. Feeling ill? Please allow us to reschedule your visit.

MASKS DURING TOUR

Arbors marketing team and marketing guests will wear masks during the tour. We will provide you a mask for your visit.

ABBREVIATED TOUR

Following recommended guidelines, the tour will consist of an apartment showing. Other elements of the community can be viewed virtually through our online touring, just ask Arbors staff for more information!

YOUR SAFETY IS OUR PRIORITY

Arbors follow strict cleanliness and sanitation standards to keep our community healthy. Please use your everyday health precautions when touring, which includes not touching your face with unwashed hands, washing your hands often, social distancing, avoid touching surfaces, wearing a mask, and staying home if you are sick.
