# everyday celebrations

*Farm Fresh Flowers delivered to your loved one once or twice a month!*

Many of us have parents and grandparents in retirement or independent living communities. We would love to visit often, and to celebrate special occasions with them, but are not always able to. When you regularly send flowers to your loved one, it shows how much you're thinking of them and lets them know just how special they are to you.

- One bouquet per month for \$35

- Two bouquets per month for \$50
