

# COVID-19 Re-Opening Update and Other Information

June 4<sup>th</sup>, 2021

## Masking

Following guidelines from the Connecticut Department of Public Health with regard to senior living communities, our masking guidelines remain unchanged at this time.

Residents and visitors should be masked when in hallways, elevators, lobby or when interacting with staff. Staff and caregivers must remain masked at all times.

We are actively seeking updates from the Department of Public Health and will communicate any changes or updates as they develop.

## Re-Opening

**General Activities:** Arbors is resuming activities such as bingo and birthday social and group transportation. Please check the activity schedule for more details.

**Store & More:** Thanks to the work of co-chairs Judy Tassistro and Anna Munroe along with their dedicated volunteers, the Store & More will reopen on Monday, June 7<sup>th</sup>. New hours will be 10:30 am to 11:30 am.

**Visitors:** Following updated guidelines, visitors (including caregivers) will no longer be required to show proof of vaccination prior to entry. Masks are still required.

**Guests in the Dining Room:** Guests will be welcome in the dining room beginning Monday, June 14<sup>th</sup>. Advanced reservations are required. Residents and their guests must have their own designated table (no other residents may be seated with guests).

**Hospitality Suite:** The hospitality suite will be available for guests for dates Monday, June 14<sup>th</sup> and after.

## **General Notes**

**Refer a Friend:** We recently distributed a mailer with a very significant incentive: Refer a friend- when your friend moves in, both of you receive a free month at Arbors (your friend should indicate your name as the referral). Note, referrals from your children or extended family will qualify. **Call or visit Laurie Heintz at 860-533-2524 to refer a friend or learn more.**

**Thank You,**

**Chanté Drasdis, Director**
