

# VISITOR & STAFF MASKING

3 / 3 / 2 2

These are the current practices based on 2/28/22 DPH Guidelines

---

If you are not fully boosted & vaccinated against COVID-19.

.....

If you are providing health care services (nursing, home health care, physical therapy).

.....

If exposed to COVID-19 or if feeling signs of illness (leave the premises until cleared by nursing).

.....

If requested by a resident or family member to wear a mask.

.....

Fully vaccinated & boosted not performing health care services.  
Maintain social distancing when with residents.

Your Choice

.....

When COVID-19 Community levels are high (as defined by the CDC) or when Arbors identifies a COVID outbreak.
