Many independent seniors can't wait to say goodbye to the hassles of homeownership and hello to a more carefree lifestyle today – and the support they may need tomorrow – with a move to a Retirement Community with Assisted Living Services when needed.

If you are not sure if it's the right move for you, **Arbors of Hop Brook** can help. Together, we'll consider your lifestyle goals, possible future needs, and concerns about moving now. Then we'll advise you how to effectively:

- 1 **Approach** the senior living conversation
- 2 **Communicate** your concerns
- 3 **Identify** the benefits of independent living as they apply to your goals
- 4 **Help** you choose the right community – for today and tomorrow

Arbors of Hop Brook is a Retirement Community offering independent living, assisted living, long-term care, and rehabilitation services – all on one campus.

Let our family help yours.
